**TERMINAL DISCLAIMER TO OBVIATE A
DOUBLE PATENTING REJECTION OVER A U.S. PATENT**

The owner, Zenith Electronics Corporation, of a 100 percent interest in the instant application hereby disclaims, except as provided below, the terminal part of the statutory term of any patent granted on the instant application which would extend beyond the expiration date of the full statutory term of U.S. Patent No. 6,700,930, as such term is defined in 35 U.S.C. 154 and 173, and as the term of said patent is presently shortened by any terminal disclaimer. The owner hereby agrees that any patent so granted on the instant application shall be enforceable only for and during such period that it and U.S. Patent No. 6,700,930 are commonly owned. This agreement runs with any patent granted on the instant application and is binding upon the grantee, its successors or assigns.

In making the above disclaimer, the owner does not disclaim the terminal part of any patent granted on the instant application that would extend to the expiration date of the full statutory term as defined in 35 U.S.C. 154 and 173 of U.S. Patent No. 6,700,930 in the event that U.S. Patent No. 6,700,930 later expires for failure to pay a maintenance fee, is held unenforceable, is found invalid by a court of competent jurisdiction, is statutorily disclaimed in whole or terminally disclaimed under 37 CFR 1.321, has all claims canceled by a reexamination certificate, is reissued, or is in any manner terminated prior to the expiration of its full statutory term as presently shortened by any terminal disclaimer.

The undersigned is an attorney or agent of record. Reg. No. 25,542.

The terminal disclaimer fee under 37 CFR 1.20(d) may be charged to Account No. 26 0175.

Respectfully submitted,

SCHIFF HARDIN LLP
